Subject: resurfacing projects

Date: Tue, 30 Jun 2015 14:40:20 +0000

We were able to get some roads on the resurfacing list for this summer –

Beechwood Road, Overbrook to Register
Overbrook Road, York to Register
Oxford Road, Hatherleigh to Chumleigh
St Albans Road, Overbrook to Beechwood
Wakeford Circle

Overbrook is a pretty significant project.

I will keep plugging away – but am happy we got some more routes moved up the list.

Please let people know.
